Tinys

It's exciting when you start to see planted seeds grow a bit and that's what this past month has involved at Tiny's, watching seeds grow leading some young people to make small steps of faith. We have felt that God has been 'doing stuff' in lives and it has been an interesting journey of keeping up with what he has been doing! For these young people, it is important that their faith roots go deep and so we are now meeting on a Wednesday night after football to chat about faith issues. This will be a mixed group of girls and guys. Please pray as they begin their journey with God.

Tiny's have a vision team and a committee, the vision team is made up of leaders who long to know God's heart for the young people, the committee is a group of young people who meet to make some decisions and to feedback about things happening in Tiny's. Last week the committee met with a guy from castlereagh council to chat about further discussions and trips with the police which was very positive. We hope to develop the relationship Tiny's has with the council as we see the importance and benefit of working together in the community.

We have felt the need in Tiny's to have a prayer room open during our Friday night drop in, we want to be available to God and asking Him to have his way in Tiny's. There are 3 hourly spaces that need filled each week and we are looking for people to commit to praying for young people during that time. If you feel you would be able to offer an hour on a Friday night, alternatively if you would like to be part of Tiny's community in any way, we would love to hear from you, please get in touch with Rebecca on 07738082201 or middlenamejane@googlemail.com

Resound

We'll be busy as usual over the Christmas period...

In Restoration we'll be looking at the Christmas story, making a Jesse Tree and singing some Yuletide Carols.

Crusaders takes a break over Christmas, finishing off with a Christmas Party. Prayer for all the Crusader kids, that they have a safe and blessed Christmas, is more than welcome.

Through Resonance we'll hopefully be doing a few things soon; including designing [with the Crusader kids] a few Christmas cards for the locals, maybe visiting some Elderly Homes and Folds; and a couple of other things besides.

Resound will be continuing every Saturday, right through to the New-Year. The highlight looks set to be BlackBelts@Resound, the evening of the Bodybuilders Reunion, when we hope to have some festive cheer, and a visit from the man who gives us presents for Jesus' Birthday.

Speaking of the Bodybuilders Reunion... The Saturday before Christmas, we're having a get together for all the children and leaders from the summer, it promises to be a fantastic afternoon.

Forms are out now for Bodybuilders 2009; everyone is welcome to take part, July 27th - July 31st. For more information; phone/text Tanya [07922675325] or Noel [07849962126] or check out the website to download a form.

Shankill

The last month has seen us setting some plans down for things we want to do over the coming months. We've organised a Christmas dinner for people we know in the area and we're pulling out all the stops to make it the best night in the world ever (ever ever ever).

We would love it if you would join us in praying for that night; it's the 18th December, and hopefully somewhere between 20 and 30 people we've got relationships with will be along. Our hope is that God conversations will be happening all around the dinner table. We've also been planning some outdoor events for the summer time, but now is not the time for such talk.

Asides from all the organising we've been meeting around dinner, coffee and continental markets. We've been hanging out with the locals in the pubs (aka downtown Beirut), in the parks and over the odd bit of crochet (aren't we cool). Please pray for breakthrough in relationships in the area, we need the people of peace Jesus talked about - the people that are hungry for him.

Neville (Derry)

Just as a reminder the Derry Well is no longer happening. Instead there is a project taking Adults on a mission trip to Romania for a week in April 2009. Since our last big joint we have raised almost £3500 (in just over 2 weeks, not bad)! One of the donations came as a result of me putting an article in the local papers about the project and the work in Romania. A lady phoned the minister of the church the next day and asked if he'd come and collect some money for the project. He arrived and the woman handed him a shopping bag, he looked into it and realised this was a lot of money. He asked if she was sure and typical of Derry she replied, 'if I wasn't sure do you think you'd be standing there?' He asked her name and she replied, 'why do you need to know, will the people in Romania know who I am'. He replied No to which she added, 'well then there is no need for you to know my name'. When he got home and counted the money there was £1500.00 in notes in the shopping bag. God is truly amazing in his provision. As for the coming months its a repeat of team meetings to prepare and more fund raising.
